Mr. Howland Wood,
Curator of the American Numismatic Society,
Broadway at 156th St.,
New York, N.Y.

Dear Mr. Wood:

I am a member of the Boston Numismatic Society and am desirous of obtaining a copy of Mr. Sylvester S. Crosby's "Early Coins of America". Mr. Wheeler, former president of the society, advised my writing to you on it. Do you know where one could be obtained and if so about what the price would be?

I am also desirous of obtaining a copy of the American Journal of Numismatics, Volume 50, 1916 edition, published by the American Numismatic Society.

My particular interest is in early American coinage. If you have any other suggestions as to books that might relate to this, I would be glad to know of it.

Assuring you of appreciation of your assistance,
I am

Sincerely yours,

Dear Sir:

Your letter of October 4th is at hand and I am glad to be able to write that we have a duplicate copy of Crosby's "Early Coins of America." In a recent price list another copy was offered at \$35.00. I think it was not so well bound as this one, which I consider worth about \$30.00. If you care to have it at this price, please let me know.

We can furnish volume 50 of the "American Journal" at a cost of \$5.00. This is unbound.

Awaiting your response, I am

Very truly yours,

Secretary

Boston, Mass. (Room 417)

Dear Sir;

It has been suggested by one of your fellow-townsmen that you might care to consider an invitation to become an Associate Member of the American Numismatic Society. We are especially desirous of having in our organization those who are interested in the progress of numismatics, and would gladly welcome your support. You would receive our publications, which usually exceed in cost, the \$ 5.00 dues of an Associate Membership. In addition, you would be entitled to subscribe for medals we may issue.

If this invitation receives your favorable consideration, will you kindly sign the enclosed card. It can then be presented at the next meeting of our Council.

Very truly yours,

Secretary.
